

DELHI PUBLIC SCHOOL ANAND

(UNDER THE AEGIS OF THE DELHI PUBLIC SCHOOL SOCIETY, NEW DELHI)

Session 2019-20

Class - IV

Dear parents,

Thank you for your care & support for a long time and we are much concerned that students could spend a colourful and happy Summer Vacation.

During the summer, students become more creative and expand their social horizons. But with enjoyment studies should go hand in hand for proper growth and development. Therefore, it is requested to you to promote children to maintain a balance between fun and studies. We are sending the holiday assignment designed with hope that children will enjoy doing it. At the same time we expect that children should be engaged in various activities like morning walk/games/cycling, reading good and informative books, helping mothers in completing their daily chores etc.

Kindly ensure that homework is done by the children in his/her own handwriting neatly under your guidance. The homework will be assessed as subject specific activity. We are also sending our suggestions to inculcate different values in the children with hope that you will try to nurture them.

In order to let them have a healthy, safe, civilized and happy life, please provide guidelines to them properly. In this regard we would like to forward some suggestions to you.

LANGUAGE DEVELOPMENT

- Different types of languages are spoken by people from different regions but the most important thing is that, any language, when spoken should be spoken correctly. The two common languages that our children should be able to speak fluently are Hindi and English. Since English is a universal language spoken and understood by people all over world, we want our children to be proficient in speaking and writing it.

For this:

- Please inculcate the habit of reading newspaper daily as it helps your child to improve his/her vocabulary and language acquisition.
- Try to converse with your child in English.
- Supervise children to do more exercise.

SELF LEARNING

- Give proper and healthy food items explaining the importance of home cooked food.
- Encourage them to adopt habits of personal hygiene.
- Other than cartoon channels, they should watch other channels to enhance their general knowledge.

SOCIAL SKILLS

- We at school, always aspire to put our best effort for the overall personality development of your children. This is done right from the beginning when these children are like clay in our hands. Like a potter works on his wheel to mould perfect objects, we try to mould them to make perfect individuals. But we can't achieve this goal without your co-operation. Please try to spend quality time with them. We have some suggestions as to how you can keep your ward occupied during the summer break.
- Be a friend: Play games with your child – like ludo, carom board, monopoly, scrabble etc.
- Explore nature: Take your child for a morning walk. Count trees, cars, stone, flowers, etc. while going for a walk.
- Inculcate Responsibilities: These young minds can be taught to do small jobs and develop a sense of responsibility. They can do activities like –laying the table, filling the water bottles, dusting, watering plants, taking care of the pet, cleaning their cupboard, arranging their toys etc.
- Kindly encourage your children to complete their homework on time.

MORAL EDUCATION

- Children should develop the habit of reciting prayers.
- They should inculcate good manners in themselves.
- Pay attention to traffic safety.

EXPLORE YOUR CITY

- Visit to different places like banks, railway reservation, newspaper's office etc. can be enriching for children. Try to visit such places with your ward.

Q.2 Read the passage carefully and answer the questions:

Full name of 'Sardar Vallabhbhai Patel' was Sardar Vallabhbhai Jhaverbhai Patel. He was born on 31 October 1875 in Nadiad, Gujarat, India. His father's name was Jhaverbhai Patel, who was a simple farmer. His mother's name was Laad Bai, who was a simple lady. Sardar Vallabhbhai Patel was a very hard-working individual from his childhood. He used to help his father in farming and also took time for his studies. He became an Indian barrister and statesman.

A famous story about Sardar Patel's strength takes place in his boyhood years. When he was young, Vallabhbhai suffered from a boil. There was a man in his village that used to cure boils by touching them with hot iron. Vallabhbhai went to him to remove the boil that he had. The man heated the iron rod until it grew red but seeing how young Vallabhbhai was, he hesitated. Vallabhbhai fearlessly responded, "What are you waiting for? The iron will grow cold. Hurry up, brand the boil,". Vallabhbhai picked up the glowing rod and burnt the boil. Those who watched him were shocked. But there was not a trace of pain in the boy's face. Thus he was known as an iron man of India.

Sardar Patel went to England to study law and returned to India in 1915. After returning he met Gandhi and soon joined him in many issues of the day including one in which he represented workers in a dispute with mill owners in Ahmedabad in 1918. Patel had a successful law practice,

but as he became more influenced by the ideas of Gandhi he gave it up and threw himself into the campaign for Indian independence. In 1931, Patel was elected President of the Indian National Congress. Gandhi vested great confidence in him through all the years of their friendship. Sardar Vallabhbhai Patel was one of the leaders of the Indian National Congress and one of the founding fathers of the Republic of India. He took active part in the struggle of India.

Sardar Vallabhbhai Patel became the first Home Minister and Deputy Prime Minister of India. He used strength and determination to bring together the many Indian princely states to form one united country- India as we know it today.

Sardar Vallabhbhai Patel died on 15 December 1950 at the age of 75. He will ever be remembered for his great works.
